PROFESSIONAL PROFILE & KEY COMPETENCIES

Civil Engineer transitioned into Information Technology, Technical Systems Analyst, with experience in systems analysis, ERP platform administration, process automation and document management. Active participation as an implementer of ISO 9001, ISO 14001, ISO 45001 and ISO/IEC 27001 management systems, with a strong focus on information control, traceability, access management and regulatory compliance.
Certified Internal Auditor in ISO 9001, ISO 14001, ISO 45001, ISO/IEC 27001, ISO 22301 and ISO/IEC 20000-1. Experience managing Active Directory and Microsoft Entra ID, technology asset standardisation, continuous process improvement, collaborative work environments and operational continuity support. Intermediate/Advanced English proficiency.

PROFESSIONAL EXPERIENCE

03/08/2023 – PRESENT ***SYSTEMS ANALYST / ADMINISTRATIVE – LOGÍSTICS /***
Opciones SA - Puerto Montt

- Active participation as an implementer of ISO 9001, ISO 14001 and ISO 45001 Management Systems, supporting process mapping, document standardisation, records control and preparation for internal and external audits.
- Implementation of the Information Security Management System (ISO/IEC 27001), including definition of policies and guidelines, operational controls, document management and support for regulatory compliance.
- End-to-end identity and access management, administering Active Directory and Microsoft Entra ID, including:
  - Standardisation of user and device structures.
  - Registration, classification and standardisation of technology assets.
  - Synchronisation of devices and corporate accounts under a centralised and controlled model.
- Developed and maintained the ERP System Apache OFBiz using Java Groovy, Java FX, and Apache FreeMarker for template customization.
- Modeled and analyzed processes with UML and optimized workflows using Bizagi.
- Managed databases with H2 and Microsoft SQL Server, applying knowledge of JavaScript, jQuery, Bootstrap, CSS, and HTML5 for interface design and layout.
- Prepared and controlled internal documents such as sales notes, contracts, dispatch records, and generated reports for warehouse operations.
- Contributed to process improvement and automation projects, ensuring efficiency and compliance with organizational standards.

15/07/2019 – 08/07/2023 ***SPECIALIZED OPERATOR / DMO – LOGISTICS TRANSACTIONS***
Nestlé Chile SA - Llanquihue Laboral Reference : Nelson Santelices – Nestle Llanquihue / Cancura

- Collaborative work with logistics, production and planning teams to optimise inventory and stock management through advanced SAP transactions, improving accuracy and reliability of logistics records.
- Active participation in the implementation and adoption of management tools such as POKA, DMO, TPM and NCE, supporting team training and operational process standardisation.
- Joint development of administrative solutions using Microsoft 365 and SharePoint, including spreadsheets for silo calculations and shift management, improving productivity and operational control.
- Coordination with production and maintenance teams in the supervision of manufacturing processes using specialised machinery, ensuring compliance with quality, safety and operational continuity standards.
- Collaborative preparation of monthly production reports in DMO, providing key information for performance analysis and decision-making.

STUDIES

SEP 2012 – JUL 2018	**UNIVERSIDAD DEL ZULIA - VENEZUELA** **Civil Engineer**
DIC 2019 – DIC 2020	**AIEP – TALENTO DIGITAL (BOOTCAMP)** **Full stack web application development (java)**
JUN 2024 – OCT 2024	**KIBERNUM – TALENTO DIGITAL (BOOTCAMP)** **DevOps Fundamentals**
MAR 2022 – OCT 2024	**AIEP – TÉCNICO** **Systems Programming and Analysis**

COURSES

- Advanced English (40 hours, University of Zulia, B2 proficiency)
- Web Application Development with Java and Spring Framework
- Web Analyst
- Introduction to Agile Methodologies (Scrum)
- Active Listening
- DevOps Fundamentals
- Sales Fundamentals
- Customer Service
- Rocketbot RPA Level 2
- Basic JavaScript
- Office Tools (Microsoft 365 Stack)
- Database Management (PostgreSQL, Oracle Basic)
- Human Capital Management and Development
- Leadership Management (Nestlé Operational Leaders 2025)
